(SAGINAW) – The Saginaw County Health Department is hosting a mask giveaway on Wednesday, October 7, 4-6pm, in our parking lot at 1600 N. Michigan Avenue (across from Covenant).

We will ask people to enter the parking lot's main entrance, remain in their vehicles, and drive thru to receive a mask packet (while supplies last).

Wearing a mask can reduce the spread of COVID-19 by 70%. Along with washing your hands and watching your distance, wearing your mask is a simple action to protect yourself and your community. The mask giveaway is made possible with the help of the Michigan Department of Health & Human Services, corporations and nonprofit sponsors to make sure cost and access to masks aren't barriers for Saginaw County residents.

Special guests will be Alpha Media and the U.S. Census Bureau.
